CASA ANCHORENA

Un concepto para este tiempo que reconoce el pasado y da valor al presente.

EL PROYECTO

Cuando se apuesta a recuperar el patrimonio

El compromiso de los desarrolladores de este URBAN TAO los llevó a convocar al premiado estudio **Lacroze Miguens Prati** de reconocida experiencia en rehabilitación de edificios patrimoniales. Diseño y calidad constructiva destacan a este emprendimiento que cuenta con todas las comodidades para disfrutar de la vida en la ciudad.

CASA ANCHORENA

Vivir la ciudad desde otra perspectiva

Casa Anchorena propone una experiencia en la que se conjugan el valor de la arquitectura y un barrio con características únicas. Ser parte de este concepto acompaña la idea de pensar la ciudad como un organismo vivo que se transforma y adapta a los nuevos tiempos.

Más que nunca tener la posibilidad de salir a respirar aire puro en una terraza hace una enorme diferencia. La superficie de estos espacios exteriores permite equiparlos como livings.

La gran terraza con piscina y vistas a la ciudad de Casa Anchorena es un lugar pensado para disfrutar la vida al aire libre dentro del mismo edificio para todas las unidades residenciales

LISTADO DE TERMINACIONES Y EQUIPAMIENTO

CALEFACCIÓN

1. Piso radiante o radiadores central/individual con termostato individual por departamento y medidor de consumo independiente por unidad.
2. Equipo de aire acondicionado

PROVISIÓN DE AGUA CALIENTE

Agua caliente central/individual con medidor de consumo independiente por unidad

ASCENSORES

Electromecánicos con terminación en acero inoxidable

PISOS

Madera, Patagonia Flooring: roble Eslavonia

COCINAS

1. Mesadas y frente de Silestone corktown
2. Muebles bajo mesada y alacena laqueados
3. Herrajes de muebles de cocina ocultos
4. Horno de empotrar eléctrico bajo mesada y anafe eléctrico de cuatro zonas vitrocerámico a inducción
5. Purificador de aire
6. Grifería cocina FV Temple monocomando
7. Bacha Mi Pileta 715E
8. Espacio y conexión para lavarropas
9. Incluye interior placares

BAÑOS

1. Pisos y revestimiento muros travertino taponado y pulido
2. Mesada de travertino taponado pulido
3. Bacha de apoyar Deca oval L 106
4. Grifería de pared Roca Naia monocomando
5. Indodoro y bidet Roca Gap
6. Mueble bajo mesada, cajones y estante rejilla enchapados en madera Guatambú
7. Desagüe de ducha lineal FV con vista reversible de 60cm.
9. Mampara de piso a techo, marco de aluminio anodizado negro, vidrio laminado 4+4
10. Espejo con marco de madera Guatambú

PUERTAS

1. Exterior: de seguridad Superlock 101 o similar. Terminación madera. Cerradura digital con huella, código y llave
2. Interior: Moras Linea plana, alto 2.20m
3. Picaportes Terra, modelo ADA
4. Intercomunicador con visor

CARPINTERÍAS

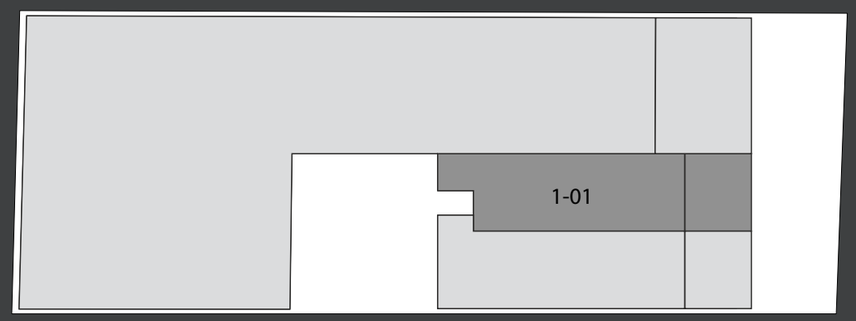

Aluminio con ruptura de puente térmico o PVC, DVH laminado, color negro

LLAVES Y TOMAS

Cambre línea Bauhaus, gris grafito o similar
